## **We need your help fundraising!**

**Step 1:** Contact us. Call 773-262-2297 and ask for Taylor, or email [taylor@ajustharvest.org](mailto:taylor@ajustharvest.org) and let us know you want to participate!

### Options:

- **Restaurant Fundraiser:** feed others by feeding yourself!
  - Have a company event, group gathering, or socially distanced box lunch you need to provide? Set up a restaurant fundraiser with us and a portion of your check for catering, take-out, or dining in (when safe) will go to A Just Harvest! You pick the restaurant and the date, we’ll take it from there.
    - To see a list of participating restaurants, click here: <https://www.groupraise.com/chicago>
- **Peer-to-peer fundraiser:** get competitive!
  - Do you love to bike, walk, dance, or lift? Whether you’re a triathlete or competitive knitter, any activity you like can be used to set a goal and collect funds from friends and family for your milestones. [MightyCause](#) is a great resource to create a fundraiser page and collect donations if you’re not comfortable playing banker. We’re happy to help you get things set up!
- **Host an event:** connect our work to yours!
  - Are you planning a big splash with your public soon? Listing A Just Harvest as the beneficiary charity at your next occasion is a great way to leverage your network to give back. We’ve worked with university theatre, sororities and fraternities, church groups, car washes and more. Chances are, if you’re planning something, we want to collaborate!
- **Charitable gift matching:** going corporate!
  - If you’re a current employee or retiree of a company with a matching gift program, chances are that any donations you make to A Just Harvest could be doubled by your employer! Ask your HR representative how to take advantage of this philanthropy program – [most larger companies](#) do have one.
- **Good old-fashioned crowdfunding!**
  - You don’t have to be all that tech savvy to run a top-notch fundraiser on your Facebook profile. If you’ve got folks in other time zones who might donate to a great cause, this is an excellent strategy for reaching them. Feel free to reach out to us for help in this, or [click here for a step-by-step guide](#).
- **Get creative!** If you’ve got an idea on how to raise funds to help A Just Harvest fight hunger in our community, *we want to hear them*. Please reach out!
